**MINUTE ORDER NO. 10**

**(Hearing/Conference Room Rules and Extended Coverage)**

Hearings and conferences will be scheduled in rooms to be arranged in accordance with the needs of this case. Unless otherwise indicated, all proceedings will be open to the public and recorded by a court reporter. To ensure fair and orderly proceedings, the following rules are established by this Minute Order.

**Hearings and Conferences.**

1. Disruptive behavior including but not limited to talking, laughing, shouting, or blocking the view of others is prohibited. Hearing and conference proceedings will be recorded by a court reporter, and silence in the room is a necessity. Unless addressing the Hearing Officer, other conversations should be carried on outside the room. All statements on the record shall be addressed to the Hearing Officer and not to other persons.
2. Use of laptops, cellular phones, PDAs, pagers, electronic notebooks or tablets, electronic readers, cameras and other electronic devices is prohibited, except as

noted below. All electronic devices **MUST** be turned off or placed in a silent/vibrate mode.

3. All attorneys and non-represented parties of record are authorized to bring into the hearing/conference room, laptops, cell phones, PDAs, electronic notebooks or tablets, electronic readers, and other electronic devices for the sole purpose of using the devices in connection with case-related proceedings. All such electronic devices **MUST** be placed in a silent/vibrate mode during proceedings. Persons other than attorneys of record (including paralegals or other legal staff, parties, and observers) are not authorized by this order to use electronic devices in the hearing/conference room.
4. Weapons of any sort are prohibited in the hearing/conference room.
5. Timely arrival to hearings/conferences is expected. Entering the room after proceedings have begun is disruptive and an inconvenience to the Hearing Officer, staff, participants and observers.
6. Eating, drinking, and chewing gum are prohibited in the hearing/conference room.

**Extended Coverage.** This contested case has generated significant public interest. In order to accommodate media coverage, the Hearing Officer will use Hawaii Supreme Court

Rules 5.1 and 5.2 regarding extended coverage as a guideline; to wit:

1. The news media shall notify the appointed media coordinator of their intent to provide, film, videotape or still photographic coverage of the contested case hearing and/or conferences related thereto. The media shall submit the appropriate form (same one used for judicial hearings) at a reasonable time in advance of the start of the proceeding.
2. Unless otherwise designated, the media coordinator is Dan Dennison; contact info is: (808) 587-0407 (O) or dan.w.dennison@hawaii.gov
3. Only one written request is necessary. Once an application is made, all media are considered to have applied.
4. Only one news media television camera and one still camera, each with a single camera operator will be permitted in the hearing/conference room while the hearing/conference is in session. Cameras and operators must be in locations designated by the hearing officer. Conducting interviews in any part of the hearing/conference room is prohibited.

5. No artificial lighting devices will be allowed. Equipment and clothing of camera operators cannot bear any insignia, logo or identification of the individual media involved in coverage.
6. The news media must arrange pooling of footage and photographs among themselves. Equipment and camera operators must be ready to record prior to the beginning of the hearing/conference.
7. A distribution point for recording of television images, if necessary and whenever practical, shall be set up outside the hearing/conference venue.
8. No live broadcast or live streaming of the contested case hearing will be permitted.
